

JANITORIAL COMPLIANCE, POWERED BY EQUIP ID
 MITIGATES BIORISK, ENSURES COMPLIANCE WITH
 JANITORIAL MANDATES AND RESTORES CONFIDENCE
 IN THE CLEANLINESS AND SAFETY OF YOUR SCHOOL

HERE'S HOW IT WORKS

Step 1. TAG

NFC Tags are placed in zones to be cleaned (classrooms, restrooms, hallways and offices)

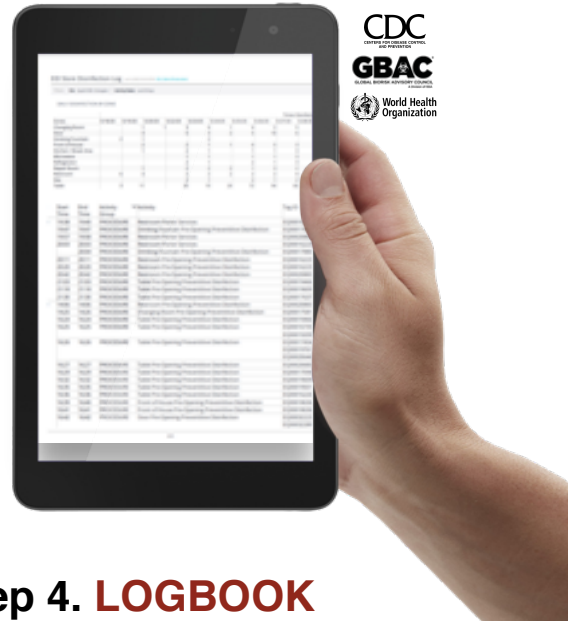

Step 2. TAP IN

Janitor tap tag in each zone with mobile device

Step 3. TAP OUT

Tag recognizes janitor, displays task list for that zone, janitor checks off as completed, then taps out

Step 4. LOGBOOK

Digital Logbook is created. Robust reporting and audit of all activities is available to FM
